CHAIRMAN  
FEDERAL COMMUNICATIONS COMMISSION  
1919 "M" STREET N.W.  
WASHINGTON, D. C. 20544

Dear Chairman,

I'm writing to express my concerns about P R Docket #92-235. This proposal would require local governments to invest hundreds of thousands of dollars for a problem that rural states do not have. I believe that an exemption to rural areas from this costly mandate should be considered.

Although I understand that eventually rural areas will have to comply, I would recommend that at that time they should be given an adequate amount of time to comply.

Sincerely,

  
J. K. "Cherokee" Jones
